94	<p>Wheatley Road Accident Black Spot</p> <p>It seems an approach has been made for more information concerning a particular accident that occurred earlier in the year. This is however a matter for the appropriate organisations to sort out between themselves. County Councillor T. Taylor confirmed that the proposal document submitted by the Parish Council for improvements on this road has been submitted for consideration by VIA/County Council as part of an Investment Programme.</p>
95	<p>Educational Foundation Representatives</p> <p>At the present time, Councillor J. Booth is both a Parish Councillor and the Parish Councils' nominee as a Trustee for the Educational Foundation. Mrs Booth has indicated that she no longer wishes to carry out the latter role. Councillor P. Wilkinson acts as Secretary for the Foundation and has recently been co-opted as a Parish Councillor. The possibility of Councillor Wilkinson acting in a dual role as both Secretary and Parish Council nominee as a Trustee in place of Mrs Booth was discussed. It was agreed that the Constitution of the Trust be examined to clarify if this is possible and that the Clerk will write to the Chairman of the Trust to propose this as a solution subject to his agreement.</p>
96	<p>Police Report</p> <p>PCSO Airey informed the Meeting that there were no crimes of interest for the month in Clayworth. Elsewhere crime associated with wild life is prevalent. For example, damage to gates and fields by the perpetrators. PCSO Airey also warned of the dangers as Christmas approaches and concerns with all forms of security.</p>
97	<p>Grays Bridge Condition</p> <p>The Clerk informed the Meeting of further correspondence exchanged with the Canal and River Trust concerning the condition of the Bridge and their response to the additional information that has been submitted. The Trusts' Engineering Team are to arrange a formal method of measuring for the Bridge that will take place on Length Inspection Walks. Monitoring of the Bridge will continue to see if the cracks reported are widening and action as appropriate will be taken.</p>
98	<p>County Councillors Report</p> <p>County Councillor T. Taylor informed the Meeting of developments with the Councils' arrangement with VIA. At present VIA is a 50/50 ownership by Cornwall and Nottinghamshire Council. A paper is being put forward for Nottinghamshire to exercise the provisions of a break clause in the Contract enabling them to buy out the Cornwall share. The estimated costs are £5M that will be accomplished by a loan to VIA to be recouped by the County Council. The exercise will have a positive effect on the interaction with VIA.</p>
99	<p>Emergency Supplies Container</p> <p>There was no progress to report. This matter will be further discussed at the next Parish Council Meeting.</p>
100	<p>Communication with Residents</p> <p>There was a general discussion about the nature of information that is forwarded to the Parish Council such as Police Reports, alerts and a précis of Parish Council Meeting minutes, and the merits of publishing some of this information on the existing Website, Facebook page and Newsletter. It was agreed that whilst some of this information is already available on the website, certain items might be included on the Facebook page. This might also include making residents aware of some of the funding that is available for Village activities.</p>
